

***FOSS wishes you a Prosperous and Happy New Year!***

**We hope that 2019 will offer you excellent health,  
great success & lots of change**

We are proud to inform you that FOSS combines the start of 2019 with a rebranding and the launch of a great additional **new service.**

To stress our global focus in the family office advisory field, we have changed our name to «**FOSS Family Office Advisory**». And, after having advised wealthy families for many years in the multi-family office field and following strong client demand, we have now also officially started to support families from all over the world with the establishment of their single-family office.

To make the change complete, we have launched a new website domain, **[www.family-office-advisory.com](http://www.family-office-advisory.com)**, where you will find abundant single-family office-related content.

We very much invite you to visit our new website to find out more about our unique single-family office advisory process. We look forward to working with you in 2019 and beyond!
